

# Feeding the 5,000

**I wonder what is most important  
in this story.**

**I wonder why Andrew noticed  
that child with the packed lunch.**

**I wonder why all the stories of  
Jesus include this story**

**I wonder why Jesus made them sit  
down in groups.**

**I wonder what the child said later  
to friends.**

**I wonder what the disciples were  
feeling as they collected the  
leftovers**

## Remember to include:

Praise and thank you prayers

Prayers for people far away who need God's love and care

Prayers for people in this congregation, and those we know

We already made our I'm sorry prayers:  
We are forgiven!
